

# *Federal Pages & Interns*

*We are your resource!*

As a federal page or intern it is your responsibility to speak out and to correct corruptions that you observe in the workplace.

*Stand up and be heard!*

The Patrick Henry Center for Individual Liberty will come to your assistance if you witness fraud, corruption, abuse or wholesale incompetence.

We help those willing to stand up for the truth.  
Together we can restore honor to the federal government.

*Please don't turn a blind eye to the abuse of power.*
